Portable Bariatric Scale

Portable scale for the bariatric with two side entries.

Features

- 4 x 375kg load cells beneath the pan (pictured)
- The indicator is a Rice Lake 120PLUS with an internal rechargeable battery
- The 2 entry sides have a bevelled edge to prevent a tripping point
- Weigh plate powder coated
- The rails are stainless steel & very sturdy to be able to handle big hands where force may be applied by bariatric patients requiring the use of the handles for balance and stability
- Polyurethane wheels of easy moving.
